

Landmark Wealth Management Selected to University at Buffalo Fast 46

Amherst, N.Y., October 1, 2021 – Landmark Wealth Management was named to the University at Buffalo's Fast 46 competition during a ceremony on Thursday, September 30.

Named in honor of UB's founding in 1846, the UB Fast 46 program was created to recognize and celebrate the success of 46 of the fastest-growing businesses owned or led by UB alumni or former students around the world. In addition, three startups were also recognized with the 3 Under 3 award.

Fast 46 honorees represent the world's fastest-growing businesses owned or led by UB alumni or former students; companies were ranked by the percentage of cumulative annual growth in revenue for the three most recent 12-month reporting periods as confirmed by The Bonadio Group, the official verification firm for Fast 46.
